“ *Any woman can be a bride, you are truly the perfect bride. As your angels we will one day understand that it's your time to rest, we'll never forget you, so we have to give away our mother to the one man we know who will never miss use you, nor forsake you, so we give this bride away to God in peace, love and happiness. We will meet again. " You will be Sadly Missed"*

“ *It's true we bring nothing into this world, and nothing we take when we pass. So the time in between we must use carefully, for only the memories will last. We hurt because you left us, we cry because you're gone; with sorrow we must say goodbye, but your memory lives on. Because of what you mean to us the loneliness will always remain. But because of all the love you gave, in our hearts... You'll live Always*
