“ *My Dearest Aunt Rose (aka Rosebud),
You were such an amazing blessing to me and our entire family.
Your contagious smile, zest for living, and unconditional loving were
uncanny. You gave of yourself and taught me the true meaning of
resiliency. You poured out praise and encouragement in actions and
in words. Your bravery, courage, and faith carried you through the
gates of heaven. I know you were welcomed with open arms, as a
devoted mother, sister, grandmother, aunt, and friend. I will always
cherish the memories that we shared and I know that I am a better
person because I had you in my life. You were a ?beacon of light?
whose rays will shine in our hearts and minds forever.*

*You fought the good fight, you finished the race, and you kept the
faith?*

And as you would sing, ? It?s a beautiful morning??

“ *We celebrate the life of a loving sister, a devoted mother, and a
dedicated woman. She will be sorely missed by family and friends.
There was a quiet moment when the Rose was welcomed into
heaven's beautiful garden , but we count it all JOY that one day we
will reunite in the kingdom. She never lost her praise ,and we thank
God for having her in our lives. My love is stronger today than
yesterday because she taught me to care about others.*
