“ *We are so very sorry of your loss and the loss of a very dear, sweet lady we grew to love! We met Rose on our bowling league and we truly loved being with Henry and Rose. We are so very thankful and happy they were able to go with us on a trip to Punta Cana, Dominican Republic a couple of years ago. We had such a wonderful time we were all ready to go back! Her name was appropriate, she was and always will be a "ROSE". We will miss her, Henry, but will always be there for you. We love you!*

“ Henry,
First, I would like to remind you of who I am. You and Rose came with Charlie and Genell down to Tennessee for our church anniversary. Cathy and I lived in Michigan for a few years.

May the grace of God comfort your heart at this time: as Rose is celebrating in the very face of God, may your heart find reason to celebrate the memories and special times you guys enjoyed together.

God is perfect in ALL in His ways.

“ Henry
Truly our prayers are with you and the family in this time of sorrow. Our family had a great love and appreciation for Rose. Her strength and character are to be admired. Certainly we could not have chosen a more lovingly and caring god-mother for our daughter. We will miss her, but are confident she is with the Lord. God bless you and your family now and in the days to come.

“ Our condolences go out to you and your family. We are truly sorry to hear of your loss. Often during these difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
