My condolences to this family of whom I've known since 6th grade. Joanne and I have known each other since Parkland School days. She introduced me to her sister Rose one day when she stopped by Parkland School to visit her 6th grade teacher, Mrs. Mumroe. I thought she was the prettiest girl I'd ever seen. Years later, Rose would become my sister 'n' law. We had a great relationship. She will truly be missed.

“ Dearest Rozella,
As young girls we shared fun lunches during our years downtown
(Consumer's and Michigan Bell). Then years later we enjoyed our
couple's club meetings and get aways.
Where did the years go? They left happy memories of you, your
beautiful smile, your compassion and everything about you. Having
you as a friend was a special blessing.
Thank you, rest in peace.

“ *To the Jones Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question you might have about death. It also show that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
