I am so shocked to learn of your passing this way I can see your smile, and hear your chuckle of a laugh. I hate I missed your homegoing, but I know you are happy with Jesus. You will be forever missed. To be absent from the body is to be present with the Lord. I thank God for the fun times we all shared in the Ground North Clinic. It is priceless. Love you Ruby. “ To Ms Hattie and Family,
You have my prayers and deep condolences.
I am saddened and will deeply miss Ruby. I
met her at Flint Osteopathic Hospital and
have known her for many, many years. We
came to Hurley Medical Center approximately the same time. Ruby
was a blessing to me, in my life. She was the most honest, even
tempered, and fun loving person I have ever known. Ruby's
character was always known to be constant. She had the fruits of
the spirit, and always treated every one with kindness, love, and
respect. She has such an infectious smile and boisterous LAUGH.. I
will truly miss Ruby!
