“ *To the Bass Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*

“ I’m so sorry to hear the news but I’m rejoicing to know that God has a new angle. The pain has stopped, the Doctors aren’t needed any longer remember When we all get to Heaven what a day of rejoicing that will be, when we all see Jesus we will sing and shout for victory. Keeping you in my prayers.
