“ My most precious memories of my Aunt took place when I was a little girl. Between the ages of 6 and 12, I had the joy of spending summer vacation in her home. For me, the name "Aunt Ruth" was synonymous with the word "fun." There was no one like her...and I will miss her.

“ It's comforting to know you have a hope of being reunited with "RUTH" again in the future, by means of the resurrection. (John 11:35-44) May you look towards that hope. At that time, she will never again say, "I am sick". (Isaiah 33:24) I'm sorry for your loss.
