Mrs. Ruth Ann Riley was born March 16, 1947 in Beaumont, Texas the first child of 8 to Alfred Payne, Sr. and Susie Ida Moore-Payne. Ruth Ann (best known as Ann) attended and graduated school in Beaumont. During her junior and senior years in high school, she attended cosmetology school and received her license as a Cosmetologist. After graduation, Ann married David Riley. A year later, they moved to Flint, Michigan to pursue better opportunities. To this union two children were born, Raheem and Tannyika. Upon arrival to Flint, Ann put her cosmetology license to use by working at various salons in the area. She worked at Wig Land for many, many years until Covid-19. While working at Wig Land, Ann became employed with Metal Fabricating Plant a division of General Motors, retiring with 30 years service in 2007. Ann was an avid bowler who traveled extensively with her team until Covid-19. She also played on the Red Socks softball team and was a member of the Hasselbring Dancers. And let us not leave out that she was a great cook! Being led by the Holy Spirit, Mrs. Ann Riley joined Golden Leaf Baptist Church where she

served on the Kitchen Committee, worked with the Youth Department, sang with the Women's Day choir, and worked as a volunteer with the Golden Leaf Neighborhood Services. She also attended weekly Bible Study. My heartfelt condolences to Raheem and all of Ann's family and friends. Her quiet beautiful smile, soft voice, delicious food and enduring lifelong friendship will be greatly missed by her Promise Tabernacle as well. Thankful for friendship she, Twyla and I shared. Her love and caring lives on in all our hearts. Her journey here on earth was complete but the spirit she shared with each of us lives on in our hearts and thoughts forever. Until we meet again Ann. 🌹

“ Thank you for showing the webcast. My mom (Ann's sister, Elsie) and I watched it together. Throughout the years my mom spoke often of her oldest sister. She would tell us about when grandma would make Ann do their hair for school and Ann would tell them before they even got in the chair, "you know I'm going to burn you before we're through" and she would. She told us how Aunt Ann came to her sisters' rescues multiple times throughout the years. After grandma and grandpa died, she became the glue that held the Payne's together. She came down to Beaumont to see her family every summer. She spoke to my mom on the phone all the time. She will be greatly missed. Our prayers go out to her children, her grandchildren, and her friends. May the peace that surpasses all understanding come to comfort you in this time.

“ When I was about 10 years old my close friend moved out of the house across from my house and I was a little sad. I was so glad that Mrs. Riley moved in with her children. They were around my age (Raheem and Tanika) and I was so excited that I had someone to play with again. I remember Mrs. Riley and her Sister getting together across the street to cook and have fun. They would sit outside and speak to everyone. Because she stayed in the neighborhood for over 40 years,, her grandchildren are now very close friends with my children. Mrs. Riley was a true example of a neighbor! She will truly be missed 💖 -Lisa M. Carpenter
