“ *You are in our thoughts and prayers. God knows what is best for us and He does all things according to His own will. I hope you know that we love you and care for you and the children. We will be here for you, whatever we can do, just call. You know me I won't wait to be called--I know where you live. Even in this difficult time, know that you are in the loving hands of the Father.*

“ *Dear Family*
Please rest assured that God has not foresaken or forgotten you. I pray that you find peace and comfort in the precious memories of his promise to never leave us..
I'll always remember "FUZZIE" for her sense of humor and her ability to crack folk up...namely me..
SO sorry I couldn't get there...
But know you are being lifted up by many.
LOVE
