“ Ruth will always be my #1-Ace-Cousin! As a child, growing up, she showed me so much love and took such good care of me. She took me to the Roller Bowl on St. John Street, every week, where she taught me how to skate. She took me shopping and even took me on her dates. I would be at the drive-in sitting in the front seat between she and her date. What young person does that? Only Ruth! She was always respectable, in my presence, and demanded the same of those around us. She was the only young person that my mother trusted me with. As I got older, I realized how unique and truly special this was. We always maintained a special bond throughout the years. Ruth will forever have a special place in my heart. Rest in peace my precious cuz. You fought a good fight.
