

## **Dr. Samuel Richard Dismond Jr.**

January 14, 1932 - February 5, 2021

On Friday, February 5, 2021, one of God's favorite servants was called home. Dr. Samuel R. Dismond Jr. passed away peacefully at home with his devoted and beloved wife of 62 years, Mrs. Janice A. Dismond by his side. He was 89 years old.

Dr. Dismond was born in Harrisburg Pennsylvania. He graduated from Lincoln University, Lincoln University, Pennsylvania. He was drafted into the United States Army in 1953. And received an early discharge to attend Howard University School of Medicine in Washington, DC. While at Howard University, he met the love of his life, Janice, a student at Freedmen's Hospital School of Nursing (now Howard University School of Nursing) on a blind date. They married on August 23, 1958 in Harrisburg, Pennsylvania.

Dr. Dismond became a member of the Flint, Michigan medical community as a resident at St. Joseph's Hospital (now Genesys) in 1960. He opened a private practice with Dr. Clarence Kimbrough (deceased) on Saginaw Street in downtown Flint, eventually moving to his own private practice on Pierson Road before joining the Hurley Medical Center team in 1984. His Family Medicine practice was located within the medical center and his wife Janice (Jan) an R.N., was his office manager serving in an invaluable capacity. After 50 years of dedicated service to the Flint community he retired at age 80. His wife retired one day after him and their service to the community was a joint

celebration at Hurley Medical Center in the fall of 2012. He was Chief of Staff at Hurley from 1995 to 2000 and was the first African American physician to have that position. He was on the Hurley Board of Managers beginning in 1998, serving as Chairman of the Board from 2005 to 2007. He continued to serve on the Board of Managers until 2012.

He was the recipient of numerous recognitions both locally and nationally. One of his proudest achievements was being named the American Academy of Family Physicians, 'Physician of the Year' in 1999. Dr. Dismond also received the 'Physician of the Year' award from the Michigan Academy of Family Physicians in 1997. He was awarded the Michigan State Medical Society 'Presidential Citation' in 2011. A designation given to a physician that makes a difference in "taking care of everybody". In his career, he delivered more than 1,000 babies and took good care of generations of families in the Flint community. He was also very proud of receiving a personal invitation to Barack Obama's first Inauguration in 2009.

Dr. Dismond pledged Omega Phi Psi Fraternity while at Howard University. And became a proud member of Sigma Pi Phi Fraternity, Gamma Delta Boulé chapter in 1993. He remained a member to the day of his passing. He was an Arcon and his wife Janice an Archousa. He and his wife were avid and accomplished ballroom dancers. He was a longtime and dedicated patron of the Flint Institute of music where he also served as a tenured Board member until the day of his passing. A wrought-iron wind activated statue titled 'The Dancer', graces the grounds of the Flint Institute of Music in his honor. He played the trumpet and loved to sing. But his favorite hobby was dancing with his darling Jan.

Dr. Dismond was preceded in death by his father, Samuel R. Dismond Sr. And his mother, Carolyn Dismond. He leaves behind his beloved wife of 62 years, Janice Dismond. His children; Samuel Dismond III (spouse, Pamela), Brenda

(Be) Dismond-Sweet, Daryl Dismond (spouse, Iben), Gregory Dismond (spouse, Dushy), Valerie Petrich, (spouse, Karl), Audrey Dismond, Timothy Dismond, (spouse, Taunya) and honorary daughters Becky Scott and Monica Hudson. Grand-Children; Janice Christi Walton,(spouse, Andre), Nikki Petrich, Emmanuel Petrich, Miles Dismond, Brittany Dismond, Stefan Dismond, Raurie Petrich, Austin Dismond, Kaila Dismond, Lauren Dismond, Leilani, and Silas Dismond. He had one great-grandson, Jayden Walton.

He leaves behind his brother, Michael Dismond. His brother Larry Dismond and Sister Yvonne McLamb preceded him in death. He is loved by many cousins and numerous nieces and nephews.

In lieu of flowers, Mrs. Janice Dismond asks that donations be made in the name of Dr. Samuel R. Dismond Jr., to; Hurley Medical Center, Uncompensated Care Fund, [www.hurleyfoundation.org/donate](http://www.hurleyfoundation.org/donate). Donations can also be mailed to; The Hurley Foundation, One Hurley Plaza, Flint, Michigan 48503.

Dr. Dismond was a devout Catholic. He believed in and admired Dr. Anthony Fauci. Mrs. Janice Dismond is advocating that there be no 'in-person' gatherings per 'best pandemic practices'. Dr. Dismond will be given his last rites and interred at New Calvary Catholic Cemetery, Calvary Chapel Mausoleum with Father Phil Schmitter officiating and representing Mrs. Dismond, the Family and in lieu of any funeral or memorial.

There will be a virtual Celebration of Life event on Thursday, March 4, 2021 at 1PM. It will be open to the public. Details on how to view will be made available shortly. Mrs. Janice Dismond is not accepting any calls at this time and the family asks that you respect her privacy during this grievous time.

“ *My sincere condolences to Mrs. Jan Dismond and family. I was truly saddened to hear of the passing of Dr. Dismond. He was such a remarkable man, always had a big smile and as a nurse at Hurley beginning in 1968 I never heard an unkind word spoken to anyone. Mrs. Dismond Dr. Dismond was truly blessed to have you in his life as well as his children. I had the opportunity of knowing Sam III when he worked on 5A one summer, and Brenda. They were both very kind and I am sure that you and Dr. Dismond raised all of your children to be kind and caring as you were. Dr. Dismond did so much at Hurley, the Whiting Auditorium concerts and the city of Flint in other capacities. I loved seeing you and him together where ever you were. May God continue to smile on you and your family as I know Dr. Dismond is smiling down from heaven. I am sure he is resting peacefully in heaven. I will continue to keep you all in my prayers as I know he will be truly missed.*

“ Dr. Dismond was a joy to work with during my time at Hurley. He was someone who cared about everyone and was always a calming spirit whether at the bedside or in the boardroom. Some of the things I remember best was his ability to combine common sense with great medical care. He was always kind and cheerful and had a smile would light up any room. Watching him dance with his beloved wife Jan was a joy. When they danced together, you could see the great love they shared. I have never heard anyone at Hurley say an unkind word about him. I am grateful to have had the opportunity to know and work with him. He was a giant in the Flint community and will be missed. My condolences to his entire family and circle of friends.

“ Dr. Dismond was my family doctor growing up and actually delivered me and most of my siblings into this world. While I am deeply saddened by his passing, I take joy in knowing he has just gone home to be with the Lord. He was a constant in our lives and in many ways we thought of him as extended family.

*Looking back, I realize that Dr. Dismond's presence in my life, literally from the beginning, had a huge impact on my outlook. I never questioned whether a black man could achieve the highest levels of education, own a business, AND be a respected member of his community because I got to see it at every checkup. He also took a personal interest in my family and gave me strong words of encouragement at every visit.*

*Godspeed, Dr Dismond. And thank you for being such an inspiration to our family.*

“ I am heart broken to hear of his passing. My prays to Mrs. Dismond and the entire Dismond family. I have so many great memories of him as my employer. It was there when he won physician of the year. It was a blessing to a well deserving man. He impacted me with the care he showed for his patients so deeply. He told me one day after I had worked there for several months “we’ve never had someone care so much for the patients”. In reality he set the example

Mrs. Dismond sponsored me and wrote a letter for me to receive the Black Nurses Scholarship. They attended the ceremony and presented me with a dozen of roses. He set the standard for me in caring for my patients. It was bittersweet when I had to leave. While in nursing school I would stop by the office and help them out with patient care until they hired someone. In the summertime when their granddaughter came up I convince Mrs. D to let me train her to weigh the clients and put them in the rooms. I will never forget what impact and blessing they brought to my life. They had a heart for family and was very understanding when I needed to pick my daughter up from school. I could go on and on but I will end with rest on Dr. D your work here is done. Well done thy good and faithful servant.
