“ Aunt Sandra,
I'm missing you so very much . It's felt odd not hearing your ringtone 20x a day (lol). It feels strange not hearing you call me Paris 😬 even though I hated it lol. This has been hard on us but I smile through and find strength knowing that you're no longer suffering. I love you 😘 kiss my mama and everyone else for me.

“ To my friend Terry and the entire Boone family... I was so saddened to hear about the transitioning of Sandra. Sandra and I go way back..We first met in Junior High School, and then became "bestie's" at Central High School, where we shared a special friendship that extended beyond graduation. Somewhere down the line we lost contact, but every once in a while we would see each other and it was just like we were never disconnected! Oh the memories!!! Fly high my dear friend.
Love, hugs, and prayers for the entire family.

“ I am so sorry to hear of the passing of Sandra. I met the Boone family at Camp O’ Fair Winds Girl Scouts In and Out Program when I was 12 years old. Tanisha and I became fast and lifelong friends. It was a beautiful experience for young intercity Black girls. Sandra (Sugar as we called her that summer) was my leader. We had a blast. Sandra was skilled at camping, nature, and teaching Girl Scouts about the responsibility we have to the earth. I was taught the Girl Scout Promise and Law that I still keep to this very day.

Girl Scout Promise

On my honor, I will try:

To serve God and my country,

To help people at all times,

And to live by the Girl Scout Law.

Girl Scout Law

I will do my best:

to be honest

to be fair

to help where I am needed

to be cheerful

to be friendly and considerate

to be a sister to every Girl Scout

to respect authority

to use resources wisely

to protect and improve the world around me

to show respect for myself and others through my words and actions

She and Ruby (Bright Eyes as we called her for the summer) were responsible for organizing and overseeing outdoor activities that led scouts to earn badges and spark creativity. Sugar and Bright Eyes taught us about primitive camping, how to build several kinds of campfires (the log cabin and teepee were my favorites), and to be prepared for any kind of weather. In addition, she taught us to build tin foil solar ovens for baking a cake in the wilderness. She was

excellent at her job. To this day, I use those skills camping with my family, in my everyday life, and as a teacher. They helped to shape me for today. Her legacy lives on through every student I teach because I am merely teaching them what my Girl Scout Leader; Sugar, taught me.

Good Night Sugar, Rest Well and Thank you.

*Day is done, gone the sun,
From the lake, from the hills, from the sky;
All is well, safely rest, God is nigh.*

*Fading light, dims the sight,
And a star gems the sky, gleaming bright.
From afar, drawing nigh, falls the night.*

*Thanks and praise, for our days,
'Neath the sun, 'neath the stars, neath the sky;
As we go, this we know, God is nigh.*

*Sun has set, shadows come,
Time has fled, Scouts must go to their beds
Always true to the promise that they made.*

*While the light fades from sight,
And the stars gleaming rays softly send,
To thy hands we our souls, Lord, commend.*

Love Nugget,

Oh my goodness, you have replayed my childhood and the influence "Sugar" and the rest of the women in the Girl Scouts Program had over my life. I will never forget the life lessons we received every summer at Salem Lutheran Church.

Her impact in that short span has lasted a lifetime and created a vault of memories I shall never forget.

*Love,
Snoopy*
