“ *To the Mushatt Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all> Or is there something else after death? The bible clears up any question we ight have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
