“ God looked around his garden and saw an empty space. He then looked down upon this earth and saw sweet Sarah's smiling face. God's garden must be beautiful, because he's added you to the beauty. He took you up to heaven and shielded you with grace. Although it broke my heart to see you go, but you did not go alone for part of me went with you the day God called you home. You have left me with so many wonderful memories of all the times we've shared together. Sweet rest Godmother, Sweet peace I be seeing you! Love, Joyce, Sherman & Jyrah
