“ When I heard of your passing , it took me by surprise! I spent the day thinking about all the good time we shared in the past. Wish that we never would have lost touch. Thinking of those days makes me miss you so much. Love you always and forever! ~pookie~

“ Every time we hung out you always made our day. The day we found out about your passing we were filled with pain and tears. You were taken from us all too soon. We never expected we wouldn't see you again except in our thoughts and dreams. Now we except the fact and just remember all the good times we had. We'll see you again one day, until then we love you and will always remember you. NY3 lives in our memories.
