“ I know that we should never question the acts of our Heavenly Father, but I just can't for the life of me comprehend why he's gone from us so soon.

Sedrick...you will be missed dearly. I will forever hold on to the memories that were made between you and the entire Vickers family. The funny ones...the beautiful ones...the sad ones. All of them. There are way too many to name, but the one that sticks with me the most is you always asking when we were coming home to visit Flint so that you could make plans to come by and visit us. Whenever I visit Flint now, I know that sadness will hover over me because we won't be seeing you again, like we always did.

RIP always my dear brother-N-law.
