“ I remember when I 1st met you at Mr. Alan’s and you was so humble to help me get a job there. When I first found out that you was my cousin I was excited. Another person I could looked up to and I was happy to called you cousin. I remember the times you and I used to go in to work early to make sure the store look right got the next day. During the times at Mr. Alan’s you taught me how to be a man in the workplace. You taught me to take accountability for my actions when I did wrong, and always apologize. I still can’t believe that you are gone cuz, I’m going to miss you like crazy down here on Earth but I knew God wanted his son to come home. Until we meet again Sam you rest up and always be bless up. Thank you God for sending me somebody that showed perfect love to everybody on this Earth.

“ *Seyoum you were such a beautiful and giving spirit. I met you thru my son Montel and you quickly became a part of our family. I remember you would come by the house everyday to pick up my son and my daughters would have to go because he was their babysitter. They told me you would never complain instead you would just flash that beautiful smile and tell them to get in the back seat❤️ My deepest sympathy and condolences to your family and I pray for Jesus to comfort them with peace and understanding. “ *Condolences to the May family, Seyoum and my cousin Montel were very good friends during their teen and adult years and I had the opportunity to be the nagging little cousin trying to hang out with them. Seyoum would always stop by the house to shoot hoop and kick it in his infamous Fiero sport! Gone but never forgotten. Sending prayers from the Cross family 🙏*
