“ Lots of memories, but my favorite is probably when there were all these Annabelle 2 previews on and she would get 2 inches from my face while I was sleeping and yell "Annabelle" right in my face. Scared the crap out of me daily for weeks with that. I miss her so much....Lots of laughs and lots of tears. My thought and prayers are with all of you. Love you chica....you'll be missed so much.

“ She would come into the library and ask for the Flint newspaper. I would tell her they blew that s\*\*\*hole off the map. We would pretend like we were really going to fight and then laugh at people's reactions. Silly I know, but it made us laugh in a dark place. I can literally hear her voice saying "what's up baby". I am so sorry for your loss. She was a beautiful person inside and out.
