“*It is only natural that we yearn to see our dead loved ones again, after all we want to live and enjoy life with the ones we love. The Bible teaches us that most people who die will be resurrected. Jesus promised that "those in the memorial tombs will...come out." (John 5:28,29) In harmony with Jehovah's will we will have the opportunity to live on a paradise earth. (Luke 23:43) This promised future also includes perfect health and everlasting life. The bible also teaches that "The righteous will possess the earth, and they will reside forever upon it."-Psalm 37:29 There are many more scriptures which tell us about the resurrection and Jehovahs kingdom, some are Job 14:14, Luke 7:11-17, and Acts 24:15. We hope that these promises from Jehovah and Jesus Christ help ease your thoughts during you time of sorrow. Agape love, Chad and Lisa Halstead*

“ To the Johnson family, may you find peace from the God of all comfort. At present not much can soothe such a broken heart, while I wish to be able to turn back the hands of time, I recognize my limitation, so I leave you with God who can give you the peace that excels all thought and may he guard your mental power at this time. My heart felt sympathy!

“ We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
