“ Our heart is filled with much sympathy for you and your loss. You can't understand why sometime you have to go through the things that you go through, but understand that God is with you to care and comfort you. Lil Ann is at peace with God now; standind in agreement with him for you to look unto the hills from whence cometh your help, all of your help come from the lord. I pray that God restore your stregnth, I know that he will. I also pray that the peace of God which passeth all understanding would be upon you. Jesus is your stregnth, and your way out of every storm. Drop anchor in Jesus and watch him usher you out of this storm.

*your cousin,
kayla*

Tears In A Bottle
by Alicia Stephens

*There is a bottle up in heaven,
filling up with all your tears.
Drop by drop the Lord collects,
the full harvest of your fears.*

*There is not a tear that falls,
where He is not aware.
For He understands each drip,
and the cause of your despair.*

*When tears of unhappiness,
are followed up with grief.
He garners them in His vial,
and sends peace for your relief.*

*He knows the real reason,
as He gathers up your pain.
And all your hurtful tears,
to Him become like rain.*

*He reaps each tender trickle,
with His mercies from above.
Collects them in His bottle,
and caps them with His love.*

“ To the family of Shareka:
It is with deep condolence that I send this message to you. This tragedy has really jus' saddened my heart! To know that it was truly accidental hurts even more because I feel for her friend as well. My prayers are with you, for you, and I've given my angels charge to 'encamp all around you!' (pray for me as well 'cause I do need my angels back) Jus' kno' that: "Weeping may endure for the night but JOY cometh in the morning!" I hope your morning is close and you can see it real soon.
