“ To my family,
I'm so sorry we could not make it back home at this time. Please know that you all are in our prayers and that we love & miss you dearly. It's been kinda hard to even think about coming back knowing that I can't see daddy but I know I still have all of you to keep his memory alive. I'm going to miss ReeRee but she will always be in my heart. Don't be sad cause you know she wouldn't want that. She's still with us though we can't see her anymore, she can still see & hear everything we say and do.
We'll keep in touch and hopefully will see you soon. Love you all..

“ Dearly Beloved of God; Sharie you will always be remembered and never be forgotten. Every time I look at a picture of you a tear comes to my eye, but I am comforted by the witness of the Holy Spirit of God in knowing that you had faith in Jesus Christ. May your salvation be merited to the Cross of Jesus Christ and may for all of eternity you sing with the angels in Heaven; Holy is the Lord God Almighty and He alone is worthy to be praised!

Love Ya

“ Mere words cannot begin to describe just how much of a wonderful, selfless, and beautiful woman Sharie Smith was. To all of her family, friends and loved one's I express my deepest sympathy. I will forever be grateful for having met Sharie and having her in my life as a co-worker and a friend. Look out Heaven, here comes the Energizer Bunny, as Sharie's mother once called her!!!

“ Ms. Sharie,

Words will never measure up to explain who and what you were. You were a friend and humanitarian, as one of our former co-workers said this week, many will come and go, but clients will call and stop in to see you for 20 years and be shocked by the news...you put everyone before you and I know you found a great peace and glory in God's House! You will forever be loved and missed!!!!

“ *There is no pain or no suffering anymore with our Lord and Savior. Just rest assured that Sharie is at peace. God needed an angel and he looked down here on earth and decided that he wanted his child to come home. I know your heart is so heavy and I pray that God keep you in the midst of it all. Just remember God is in control....He will get you through this.....Just Call on Him...*
