“ I miss my dear friend so much. We shared so many good times. Now, I must use my memories. But that's fine. I feel the laughter, I see the smile, I see the clowning around, I see the pain. But more than anything I feel the love. We all miss you more than words could ever says..

“ Sharon will be missed, she always called me her baby, she would say “this my baby right here” and I would give her hugs at church. She kept everyone around her laughing 24/7. At my birthday party she pulled out money and was saying top that to everybody lol. My earliest memory or Sharon was when I was in cradle school, she would pic me and her boy up in a pickup truck and take us to school faithfully. She love telling people that me and her son was the same age and I was older by a few days but he towered me in height lol she wanted us close. I pray that God comfort and keep her children. Love Sharon!
