“ My deepest condolences to the Marve & Frank family. Sharon was my friend & classmate. We considered each other as cousins because our families originate from a small town in Louisiana and they remained close when almost the entire town moved to Flint for a better life & more opportunities. Much love, respect & blessing to the families. I am deeply saddened for all of our lost as Sharon was very special, however she will never be forgotten. We had the best of times growing up!

Sincerely,
Tyree Green
