“ I adopted Shep as my Uncle when I was very young. I use to to sit and listen to him and uncle Leon crack Jokes and make us laugh. The last time I visited at the hospital he still had that same smile and that confidence. He was a fighter. He will be missed. To my second family I and my children will keep you in our prayers.

“ Hi my name is Carole Jones.. I did not know Mr Bryant well, but I know his wife and grand kids. I am Neavehs' great grandma. I know that Mr Bryant loved her very much and called her buttercup. I am so glad that Neaveh got to know her great grandfather before he passed. He treated her very well and I know she loved him.. She will have those wonderful memories to hang unto the rest of her life. And that is what matters in life the relationship you have with your family. God Bless you Mr Bryant. I will pray for you and your wonderful family. I know that the angels took you directly to your place in heaven.
