“ *I feel numb. I feel like I'm in a world that doesn't exist. I feel empty. I never thought I be saying R.I.P so early. Seeing this obituary...just kills me. I was in denial...I was about to call Hurley because I was hoping you were just in the hospital recovering and that this wasn't true...but then I seen this. Omg Mysto. I'm heartbroken. My best friend. You watched over me after Bama died. All the fun we had. It was an adventure. Chi-town always right. I love you and miss you so much. Your kids are parentless now and that kills me. Oh my god. I lost George and now I lost you I will never never never never never never forget you and you'll always be in my heart...love Bama Niece, Jazzy. Damn. Damn. Damn.*
