“ *My deepest condolences extend to you, Sherman's family and friends. Remembering the ever so charming young man he was in high school brings a smile. As the yearbook sports editor, Sherman and I often joked about me "making him famous" in the school yearbook. He truly did not need me to lend to his image. Sherman was a dazzler who naturally drew people to him. His style and his charm will live long after he has moved on. May God bless and keep you.*

“ I did not know Sherm very well except his tremendous accomplishments in track and football for Flint Central. I graduated with Sherm in June 1963.

I did take a nice picture of Sherm and Jewell Baxter at the class Reunion in August 2007 in Flint. Let me know if you'd like the picture? He seemed so full of life and talked to Jewell with such energy and smiles of the "good old days" playing football at Flint Central.

I hope that Sherm didn't have to suffer too bad in his illness.

“ Sherman was a wonderful person and friend. He went out of his way to help those that he knew and loved. If he could not help you, he definately would not hurt you. He will be truly and deeply missed. His smile and lively personality made the world a better place for many of us that knew him. May God be with his family and strengthen them during this time of loss. My prayers are with you.

“ Sherman and I were stationed together in Germany in the Army in 1966-67 where we became the friends we never were in high school. We were "home brews" and that is what I called him when I saw him at our CHS reunion last August in Flint. I am deeply saddened because he was my closed friend from CHS after high school because of that connection. I regret I will never get to see him again and tell him how much I treasured our friendship and that it is over with me being able to see him again. To all his relatives and friends, I know you all will miss him deeply as I will because Sherman was truly a wonderful person who influenced all who he came in contact with. God bless him. Sincerely, Gary Greis.
