“ Family:

I am still in a state of shock and wrestling with the fact that Sherrod has transitioned. That phone call I was totally not ready for. My mind immediately went back to the good times and memories that we shared as kids growing up and the summers that I spent with him and his siblings (all my cousins) on East Baker Street. The last time that we shared being in the presence of each others company. That infectious smile that he always had. The love for family. I will miss all of that. This one has me struggling and it's difficult to get past the tears.

Diane, Deborah and Rochelle, I pray that God will give you the strength and comfort to carry on. This one is hard, I feel that same pain. To his children, carry the memory and the love that you have for your dad forever in your heart. Some days will be harder than others. Just know that you have gained an angel and your dad will be watching over you and still wearing that big beautiful smile. Fly high Sherrod and Rest well. You will truly be missed.

“ *To be absent from our earthly bodies is to be present with the Lord. My deepest condolences to the entire family and all friends of Sherrod Johnson. Prayers for peace and a comforting hug to you all for your loss. My husband and I met Sherrod when he worked at Bacharach back in the day. Sherrod had a warm and kind smile and spirit that always made you feel like you'd known him all your life. Later, we found out that we had some very special friends in common when we both had the honor of being a part of, Judy and Todd Brunson's bridal party. That was validation that Sherrod was the sweet and kind man that Victor and I knew that he was. He will be greatly missed. Rest In Heavenly Peace, Sherrod. Peace be with you.*

*Sincerely,
Alicia Washington Jackson and Victor Jackson*

“ Sherrod was a great friend. His presence demanded attention whenever he entered the room; without him having to say a word. He was kind, smooth, with a gentle heart and a lion’s roar. My heart is heavy. He will be missed by many. May his soul rest for eternity with his Lord and Savior Jesus Christ. Loving him always,

“ Absolutely heartbroken for Sherrod's family, friends, frat and myself.

To his fam - losing a 3rd sibling in less than 15 mos can only be accepted with the **STRENGTH, GRACE and FAITH** of the **GOOD LORD**. Find **PEACE OF MIND** and **SOLACE** through **HIS WORD** as Sherrod often did.

To his children - he loved you dearly and flashed that beautiful smile whenever he spoke your names.

To his frat...you already know the love he had for you and what your Org represents.

His kindness and impact in my life will never be forgotten...and his laughter and joy for life is a lesson in how to live **THIS** life on earth. He was a great thought partner and consoler.

"Up with it, down with it...." for those who laughed often with him and celebrated just because, you know the drill...filling in the rest should bring a smile through the tears.

Rest in peace and power my special friend...until we meet again!

Much Love

His smile was bright and his laughter was infectious as joy just followed him wherever he went. The loss is so tragic and heartbreaking, but his wings are soaring him high in heaven now to watch over his loved ones. I am beyond thankful that I got the honor to know him through our DFW Michigan State Alumni Association. To his family - our thoughts are with you as you navigate this sadness - may you find peace knowing that all you did to make Sherrod so incredible gave all who knew him a gift of his presence.
