“ *Aunt Sherry words cannot express the way that I feel right now, but I can rejoice in the Lord that you are in peace and sleeping in heavenly peace. We will see each other again and laugh at the same jokes that have always made our days brighter. You told me not to have my heart broken and to not be sad, and that you Loved me, so I'll hold on to those words forever.
Love your neice Ronnie.*

“ Aunt Sherry, I Love You so much!! I remember when I was younger and I would spend every summer over your house because I loved to be around my fun and funny favorite aunty! Even as an adult you were still my favorite aunt! You could always put a smile on my face and make me laugh, but you would also put me in check if I needed to be by telling me the truth without sugar coating it, and that helped shape me to be who I am today! I am really going to miss you Aunt Sherry, but I know you are resting peacefully in the arms of the LORD now and you will always live on in my heart! I Love You Te-Te...always your Moka-Day!

“ Meetchy, Bobo, and the entire family, I feel very honored to have known your mother. From the moment I became acquainted with her I was always encouraged by her positive attitude, and impressed by her hard work ethic she instilled within you. The last time I talked to her was during one of the band's neighborhood parades, which always ended with stopping at her house. She was one of the "buc-town"band's biggest supporters and fans, and I know she loved me because she never complained when the kids came close to her flowers, but simply clapped and called us the best band in the land. Everyone who knows Sherri knows about her flowers and I remember where she lives because her house reminds me of her personality, cheerful, warm and inviting. She expected nothing but the best from her sons and never stopped being the supportive and loving mom I will always remember her to be. Your life will forever be changed but the character and loved sheshe showed and instilled within to make you the men you are will never change or allow anyone to forget her presence on this earth.

“ When i first heard the news, my heart felt so heavy, i almost cried all the tears i had to fall. To me, she was my god mother, and will forever hold that name to me. I miss her so much! everytime i walk out the front door of my place of residence i will think of her. In the summer im going to especially miss her out there in that yard, it never failed, each and every summer i can remember she was out there doing something in that yard. I have so many memories to hold on to. I use to love going over to her house during the summer, and she always welcomed me in her home. I will never forget that Aaliyah CD she bought me for christmas. She knew i loved Aaliyah, and doin hair. I've sat over to her house a few times and braided her hair, and also styled it, she loved for me to do her hair. I am going to miss her dearly, i pray that god will keep me together at her funeral, because its going to be extra hard seeing her face for the last time in person. I also will never forget how tight she would hug me, when i went to see her in the hospital, She someone i will never forget!(i also admired her faith in God:)

“ To the family of Sherry McGee-Kiff. We wish to offer our condolences. Death seems to always be untimely. Something that has aided our family during these hard times are scriptures such as Psalms 37:10, 11 and Revelation 21: 3,4. We hope these scriptures will console you as well.

Sincerely,
Wes & karen
