“ *Today I was sadden to see you had gone. The talks, your smiles will remain strong in my mind. Your spirit was uplifting whenever you were around. God made a beautiful person in you, that others will be hard to find. To her children, moms are special, and always there for their kids. Her spirit will comfort you when your feeling low. Just look to God, he will keep you and lead you like your mom would from now on. To her brother Jerry, sorry I wasn't there to give support. Her nephew Jermaine, sorry about your auntie, remember all the good things she taught you, and the love she gave which is special when it was given to you. God keep your arms around this family I pray. Sorry for my absence, but shirlean was special to me to. Love your family.*
