*I only got to meet my Aunt Shirley only once and that one time left a permanent memory. Aunt Shirley made sure she kept in touch with my family here in California. She was no stranger, it seemed liked she lived right down the street. That's how she made me feel. I was her niece and that's how she cared for me, even long distance. I (we) will truly miss her and long for the time when we see and embrace her again. Our love goes out to all our family. We too shed tears with you and pray that God comforts all of our hearts. Love you dearly Uncle Harvey,Aunt Dean, Aunt Cleo, Aunt Erma, and all my family.
