“ *To the Family of Shirley:  
The staff at McKinley who worked with Shirley were deeply saddened to hear of her passing. We acknowledge and thank the Divine One for taking her into His eternal resting place. Although Shirley left McKinley some time ago we still remember that she was a dedicated teacher and kind-hearted co-worker, who will be missed.  
We are praying for your strength in the Lord.

“ *I had the pleasure of knowing Floyd and having him in high school choir for his four years at Grand Blanc High. Floyd, I remember your mom being so kind and helpful and willing to work at the Buick Open. I also remember her ALWAYS coming to hear you perform. She was so proud of your accomplishments and it was a pleasure to watch her as she watched you "on stage". Neither Don nor I had an opportunity to really know your brother Jonathan, but I do know your mom was also proud of him. She was a wonderful woman and I know you have great memories of her.*

*Both Don and I will keep you and Jonathan in our prayers. If you wish, please contact us.*

“ Shirley is gone but not forgotten! In the bible, Malachi 3:16 tells us that "God has a book of remembrance being written up before him" and no doubt Shirley's name is in it. Soon, very soon He will tell his son, Jesus, to awaken the ones named in his book. A real-life example of this awakening of dead loved ones is in the bible book of John, chapter 11, verses 11-14 and 43,44. Please read it and rest assured that better times are ahead, Jehovah has promised!  
Sending Agape Love, JS
