“ I worked a good number of years with Shirley (Sassy), and I will never forget her. She was like a mom to me. She gave me comfort and wisdom when my mother passed away November 10th, 2003. Sassy taught me so much over my 22 years with Citizens Bank. She was extremely knowledgeable and was a great "Go To" individual if you needed an answer or something. Her White Chicken Chili was awesome, as well as her Chicken Wings she brought into me from time to time. Sassy was a remarkable person, and will be sadly missed. Cherilyn, if there is anything you need, please don't hesitate to call. Your family is in our prayers.

“ I had the honor to work with Shirley twice in my lifetime, she was my manager at the Miller rd location of Citizens Bank, we met again years later in the Corporate Call Center, as luck would have it, I had the privilege to work with her daughter, Cherilyn as her supervisor, Shirley the apple didn't fall far from the tree, Cherilyn is a wonderful person as was Shirley. In my years as a supervisor, when ever I couldn't figure something out, I would ask Shirley, she was giving of her knowledge and her smile, she will truly be missed. Cherilyn my prayers are with you.

“ I just found out that Shirley had passed away today. I did not know she was ill. It has been almost 4 years since I worked with her and over a year since I have spoken to her on the telephone. Shirley was a wonderful human being. I had great respect for her. I would say she was Citizens Bank's most valuable employee. The most knowledgeable person I have ever worked with and most professional. I am saddened to hear that she has passed away.

“ We are so sorrow for your loss. We too have suffered the effects of sin. So we too know the pain you are going through at tis time. But our God Jehovah loves us and has made a way out for us. (John 5:24,25,28,28. Trust in him. Lean on him. He will see you through this. There are five stages of death. You will move through them at each one's own pace. When you get through them the pain will ease up. It will never really go away, but will be better. We all will pray for you all.
