“ sabrina,doris and tonya i would like to say i love you all,i will truly miss your wonderful mom,for i loved her like she was my second mom,especially after my mom passed in 2002,she was always so kind and willing to give me helpful advice and would definitely speak her mind to correct you if it was needed,as she had to put me and prina in check a time or to you know back in our younger years, but she always did so in a loving way,just know that you all had one of the BEST,trust god because he will never leave you or forsake you,and remember god always know best,and as much as you all loved her god loved her BEST and it has come to time for her very short rest in gods care until we all meet again,love ya tahjuanna.
