He loved his job and always spoke of his supervisor, "Chuck" and how he believed in him enough to run the entire plant. This gave him life and something to look forward to in reaching his goal of one day becoming the Plant Manager. “ I will always love you Shi a.k.a Suga. You were one of the best men I have ever met. The most dedicated and hardest worker that anyone has ever met I'm sure. Thank you for loving me and always being there for me. For being so real. You brought so much positivity and laughs into everyone's lives. You will surely be missed by so many. I'm not sure how I'm going to be without my Suga, but I know that now you can rest. One in a million and I'll never let you go
