“ *Little Precious Angel, you have completed your life on this side and now You are with the Lord. I can see you running, talking, singing, walking, dancing, and prancing. All the things that you wanted to do over here. Well YOU are with the Lord now so you are perfect and whole and I know you are having a ball!!!*

*To Josette, Ebony, and Sammy Banks and the rest of you who have been living in a world of pain, You have my deepest sympathy. My prayers and thoughts have been with you for a while now. All I can say is I hoped they helped. I can't give you words that will heal your broken hearts and soul. But know that God is with you and will bring you to a place of peace. You will never forget Baby Girl, but your memories will not bring you pain. Your memories will bring you joy. Whenever you think of her, let her know. I believe she hears you. May God Bless and keep you.*
