“ My deepest condolences to the family, I will never forget Si, he never missed my birthday, a Merry Christmas to me or a happy valentine day etc. He let me know he had a new key for me when he got his house because he always made sure I had a key to where he lived, even when I didn't live in Flint. Although I never made it back to get it. I know that he knew that I loved him and I know he felt the same. I will definitely miss him.
