“ *To the Fitzpatrick, Lee and Deloney Families. I know I don't have the words to say when it comes to a lost this big, only God can heal those wounds in time and with grace. But I also grieve with your lost, as I had so much love and adoration for you mother. It has been a privelege for me to have been in her presence where she has shared her grace and wisdom but also laughs with me, those things I will never forget. shawna nd Teresa I really love you guys and will be prayining for you. When it is lonely and the pain is so hard to bare call on the Holy Ghost and he will comfort you.
