“ To my grandmother and our entire family@1215 Lillian Dr.He was the light that showed the way to light the path to how a good neighbor should be!He had so much love and caring to give!Even with a large family himself he still had much to give!You knew by his actions that he was a caring man he was so very talented,he could do all! He was a teacher to all who wished to learn first to his children,then the neighborhood!God bless his wonderful family what a legacy he created and I feel he must've stood on the shoulders of strong ancestors!His mom and all others! “ Mr. Brunson is the Mayor of Lillian Drive, in Flint, Michigan. He was an amazing, loving, incredible human being. Mr. Brunson is the definition of the greatest neighbor a person could have. He felt like family. He always had a good word for me and we spoke almost everyday since I was an itty bitty child. I am now 45 years old. He always made the block feel safe. He always had a smile to give, fresh vegetables from his garden, and a story to share with me. His presence was joyful and kind. He was an excellent example of strong Black Man who led in action. He loved his family and looked out at all times for all of us on Lillian Drive. I thank God for his life and love. My condolences to the entire Brunson Family at this time.

“ *To the Brunson Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
