“ *Mr. Jones was a patient of mine for 20 years. I remember him coming in his overalls straight from work! I remember him starting his computer classes...he was always excited to ask me if I knew this or that, it wasn't long before he was teaching me! He always inquired about my children, as he had affectionately said, "it was his business seeing they all kicked him in his head while I was cleaning his teeth!!!" Always had a hug and a smile for me, and called me hunny, for which I am sure he did to all ladies. I know I am not supposed to have favorites but....I will miss him dearly.*
