“ My condolences goes out to the family! I met Ms.Davis when she was walking in the building we were living in @ the time. She told me I was having a big baby (I was pregnant at the time). She wasn't telling a story neither! She named him Pudding Pop! She had a smile that will light up the room! Regardless of what she was going through she was always smiling! I love the drive she had and she will be truly missed in our lives and in our hearts! Love u Mama!
