“ Just to see this tribute wall shows how many lives Sonja touched. I worked with Sonja for over twenty years. She kept the department together, organizing get togethers when she saw morale low, organizing collections if someone had a death in their family and if someone was leaving the department or retiring she would organize a party. She was always smiling. I am so glad to have known her, she will truly be missed by all.

“ I’m so sad to hear of the passing of my sweet friend. Sonja has the sweetest spirit. And a smile to match. She never failed to call me by my high school name, “Dilly” whenever we came in contact with each other, especially when she worked at HURLEY. Praying GOD’S peace and comfort to the Stewart Family. My sincerest condolences.

“ *I will miss you Sonja! I have seen you at work for the last 20 years. You were always smiling and we had so many good conversations about our families, life, and everything going on in our lives. I know how much she loved her family, especially her grandchildren and her daughter. I am so sorry for our loss!! She will live on in our hearts and soul forever. Rest in Peace with the Good Lord Jesus. I know he welcomed you home with open arms. I am so heart broken, but I know you are not in pain or suffering anymore!! This gives me comfort. I know she will be watching and guiding over her family from heaven. Sending all my prayers and love to her family and friends. Good bye my dear friend and co-worker until we meet again.*

“ *Miss Sonja Stewart, And I lived on the same street Pulaski Street growing up we went to the same elementary Pierson school; we went to Bryant junior high where we played on the same basketball team, We have the same sewing class together at Bryant junior high. Sonja was a very quiet beautiful soul as I remember her to be even in our childhood days she was very soft-spoken. I've never seen her angry even as children; I have nothing but fond memories of her she will be missed I'm so glad I had the pleasure of knowing my sister in Christ!*

“ My prayers to the entire Stewart family. Sonja was always Sonja. She never switched up and always had something funny to say. I witnessed her stand up for herself and others countless times. She loved her “little candle” Veleita with infinite joy. She was a good friend and coworker. I will miss our conversations about God and His glory, family. She loved her sports and was so very proud to be grandma. Ms. Velma was her guiding light and she shall continue to shine. I pray each of you fine God’s Grace as comfort and peace. Veleita, Ms. Velma, Sandy, Sam, Randy, Robbi, grandsons, all nieces and nephews she loves you truly. She had pure joy when she spoke of her family. May His peace be with you and His favor blankets you. God is everything you need. Love y’all
