“ *To my cousins, The Jacob Family, Memories of Martra, Sheila and I (Sheletha) comes to mind- visiting your family as small kids but as we grew up we all went our separate ways causing us not to see each other as often. This is a perfect example of why we all should stay in touch with one another and not let years come between us before seeing each other again. My last visit with Stacy, the kids and Glo was during the celebration of Tasha and I truly enjoyed every second we spent together. Stacy was a strong women, a warrior and compassionate. Stacy will be missed but I'm sure we all have some awesome memories of her as a child through adulthood to being a mother, family member and friend. If we hold on to those memories Stacy will always be with us.*

*Love u Guys
