“ Mannn im so hurt rn💔, I've missed you every day since we last communicated in February , our relationship was on and off so I didn't think too much when I didn't get a response from you , I wanted to reach out many times but didn't have the courage until yesterday just to find out I didn't even have a chance . I wanted to be there for you i wanted us to work out , and selfishly I wish you wanted the same thing too because you were my everything, I am beyond thankful for getting to know you for the time I did , I love and miss you Stacy 💕💕🙏🏻

“ Stacy, Stacy, Stacy, you were such a good kid. The sweetest of the sweetest. As we celebrate your short lived life tomorrow, we all know where your soul is resting, in the pearly gates. I will always remember the last time that I saw you a few weeks ago, doing what you love to do, (getting ready for work). We're definitely going to miss you down here, now get your rest nephew.

“ My sweet Stacy! You were Black Boy Joy personified. You had the kindest, most gentle spirit and more than anything, you loved your family. I will miss your hugs but I'll never forget the joy of babysitting you and watching you grow up. You were a bright light and the world is a little darker without you here. Take your rest my sweet Stacy, God will bring us all together again. I love you and I thank God for every memory of you.

“ To My Special Nephew, You gave no a last farewell, nor ever said good-bye. You were gone before we knew it, and only God knows why. A million times we will miss you, a million times we will cry. In our hearts you hold a place, no one else can ever fill. It broke our hearts to lose you, but you didn't go alone, for part of us went with you, the day God took you home. We will meet again someday I know in a better place. I Thank God he made you my Nephew while you were here on earth. Loved beyond words. Missed beyond measure. Always And Forever In Our Hearts
