“ *Stanley our brother, whom we loved so much. You and my brother Tracy were long time friends. You were family to us. We grow up with you. Played outside until the street lights came on. Stanley was the kindest, sweetest, most humble, caring man that God graced this earth with. To know him was to love him. Stanley was a light in the life of many. The Brown family will always remember the joy he added to our life. Our hearts are so broken. May you rest in peace. May God Bless and comfort your family. Your kind spirit will always remain in our hearts. Love Sandra and the entire Brown family.*

“ *To the Cooper Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real for persons who have faith.

*Yours truly,
Patricia*

“ To Mr. Cooper's Family,

I had the great pleasure of working with Mr. Cooper at Flint Genesee Job Corps. He always had a smile on his face; he always asked me how I was doing and how my day was going. He truly was a great man and I will miss him dearly! I send to you all my deepest sympathy and keep you all in my thoughts and prayers! May GOD continue to guide you with HIS strength and presence, ensuring you are not alone in this very difficult time.
