“ *I thank God for bringing Stephen and his family into my life at a time when I was struggling. Hanging out at their house on East York was always a joy. Ms. Fagan always treated me like I was her own. She gave me my first Jerry Curl. Stephen always kept me laughing at something that would happen in the neighborhood or at school. I still tell some of his stories to my son's and my friends. Me, Evan and Stephen. Good memories. That's what I will always hold dear to my heart. Love you all.*
