“ *He?s in a better place right now
Than he?s ever been before;
All pain is gone; he?s now at rest;
Nothing troubles he anymore.*

*It?s we who feel the burden of
Our sadness and our grief;
We have to cry, to mourn our loss,
Before we get relief.*

*We know we?ll reconnect with he
At the end of each life?s road;
We?ll see he cherished face again
When we release our earthly load.*

*We love you and wish we were there. You are all in our prayers and
we love you!*
