“ *If anyone would have told me that I'd know the first 2 homicide victims of 2007, I'd pray that they were wrong. But Satan is busy-recruiting, he has stepped up his game. He/She? Got their workers going after people that didn't even know they were in a war. I say it again, If these cowards wanna kill that bad. do us all a favor and go to Iraq. Go do yo thang where they need you. We don't need none of yall here- trust me!!! This is not the place for this. I apologize to the family and friends of Shakey. You all have my derpest deepest sympathy. I met this man about 7 years ago. He's been to my home and every time he was here he would have me laughing sooo hard!!!I'd have to leave the room. And laugh to myself about 6-7 days. He always showed respect, whenever and wherever. Every time I ran into him I couldn't help but smile, he smiled. He knew what I'd be thinking about- I could tell. And then I'd think about stories he told us and I'd laugh some more. So it's kinda hard to believe that Satan got somebody to do it! To those who don't know- Satan is a liar!! Here I go again-sorry. I'm going to miss that man. I'm gonna miss it all!! I've got to believe what I know- He's in a much better place. RIP Shakey T.*

“ Our condolences to our family and friends in this great tragic loss.

*To our cousin L'Tanya Clegg and Family,*

*When waves of affliction sweep over the soul,  
And sunlight is hidden from view,  
If ever you're tempted to fret or complain,  
Just think of His goodness to you.*

*When dear ones are taken away from you here,  
You loved with affection so true;  
Look unto the Savior for strength to endure,  
And think of His goodness to you.*

*Just think of His goodness to you;  
Yes, think of His goodness to you;  
Tho' storms o'er thee sweep, He is able to keep:  
O'think of His goodness to you.*

*Ashley and I, bow our heads in humble submission to express our  
deepest sympathy in the passing of your nephew.*

*We are praying for you and everyone. We say comfort yea, one  
another; for Jesus said, in Matthew 5:4, 'Blessed are they that  
mourn, for they shall be comforted?.'*

*Remember that He will never leave you alone. Earth has no sorrow  
that heaven can't heal. May God ever comfort, strengthen and  
keep you, is our prayer.*

*We love you, MORE  
Cerese and Ashley*

“ I had lost track of the family over the years due to my moving away from Michigan, but I remember Tony as a wonderful child and respectful and caring young man. I was very saddened when a dear friend called me yesterday to inform me of his passing. My deepest condolences go out the remaining brothers. Keep your heads up.

“ To the Leslie Family,  
My prayers and thought are with your family during this time of death.  
I knew Steve as a child back in the day at dailey and dolan. He use to hang out with my sister Gala. It was sad to hear of his passing at such a young age.

He was such a funny person as a child. He had lot of jokes and kept us all laughing.

God Bless,

“ One of the things I remember most about Steve (or Tony, for those that go way back) was that no matter where you saw him he always had a smile on his face, R.I.P...
