“ *Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you*

“ *To the family of Mrs. Sudie Cureton; Please accept my deepest Sympathy in the loss of your loved one. I went to school at Northwestern with Joyce & Cynthia. Please remember the instructions she gave you from the Word of GOD, the Bible. That is the only place you will find comfort at this time of sadness. Also know, that like her, we are all just passing thru this place we are in, preparing to go home to the Father.*

Peace be with you
