“ *God must have been short an angel!*

Susie was one of the most loving and kind people I have ever known. It was a honor to have her in my life as my pretend mom. Susie made me feel welcomed and loved. You should be feeling very blessed to have had her as your mom. If you need to talk or remember old times, give me a call. Even though I don't see you much anymore, I carry all of you in my heart.

Love You Always,

Lisa
