“ It is difficult for many to find the right words that may truly comfort our friends and loved ones during their time of mourning and grief; Sometimes though, a reminder of the ever-present Holy Spirit in our hearts, our Lord and Savior on the throne, is comforting enough. What we yet hope to see, our sister now sees face-to-face. May you carry the memories well, and may they be a salve during times where you miss her the most. Emmanuel; God is with you, and you will never be in this alone. Yet and still, God is faithful.
